The COLORBOND®, Luxe Design™, Knotwood™ and Timber Coat™ steel colours shown here have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND® and ® colour names are registered trade marks of BlueScope Steel Limited. B&D recommends you visit your nearest B&D Accredited Dealer to view a sample. \*A surcharge applies to these colours.
